

2015 REGION 3 STUDENT BRANCH WEBSITE COMPETITION

The Region 3 Student Branch Website Competition is held annually in conjunction with SoutheastCon. The competition is open to all Region 3 Student Branches. Winners of the Region 3 Student Branch Website Competition are eligible to compete in the IEEE Student Branch Website Contest, a worldwide competition encompassing all ten regions of IEEE. The IEEE Student Branch Website Contest is conducted by the Student Activities Committee of the Member and Geographic Activities Board of IEEE.

Entrants in the Region 3 Student Branch Website Competition will be judged based on the guidelines of the IEEE Student Branch Website Contest, which can be found at:
