

Each year, IEEE names a few selected members to its Honors roll list for their outstanding contributions. This year's list of Canadian members and their citations are given below:

## *Fellows 2003*

<p style="text-align: center;"><b>Dr. Wojtek Jan Bock</b> University of Quebec in Hull Hull, QC</p> <p>For contributions to fiber optic sensing devices and systems.</p>	<p style="text-align: center;"><b>Dr. Victor C.M. Leung</b> The University of British Columbia Vancouver, BC</p> <p>For contributions to the design of protocols and management strategies for wireless and mobile communication networks.</p>
<p style="text-align: center;"><b>Prof. Nick Cercone</b> University of Waterloo Waterloo, ON</p> <p>For contributions to knowledge discovery and data mining.</p>	<p style="text-align: center;"><b>Prof. Wooil Matthew Moon</b> The University of Manitoba Winnipeg, MB</p> <p>For contributions to theoretical geodynamics for earth system observation.</p>
<p style="text-align: center;"><b>Dr. Mohamed Jamal Deen</b> Mc Master University Hamilton, ON</p> <p>For contributions to modeling, noise, and parameter extraction in silicon transistors and high speed photodetectors.</p>	<p style="text-align: center;"><b>Prof. Farid N. Najm</b> University of Toronto Toronto, ON</p> <p>For contributions to estimation modeling of power dissipation in integrated circuits.</p>
<p style="text-align: center;"><b>Dr. William Duncan Greason</b> The University of Western Ontario London, ON</p> <p>For contributions to the fundamental principles of electrostatic discharge and its effect on electronic devices and systems.</p>	<p style="text-align: center;"><b>Prof. Boon-Tech Ooi</b> McGill University Montreal, QC</p> <p>For contributions to high power converters.</p>
<p style="text-align: center;"><b>Prof. Mohammad Reza Iravani</b> University of Toronto Toronto, ON</p> <p>For contributions to power engineering education and the modeling, design, and control of power electronic converters for power system applications.</p>	<p style="text-align: center;"><b>Dr. Basantkumar John Oommen</b> Carleton University Ottawa, ON</p> <p>For contributions to automata learning and syntactic pattern recognition.</p>
<p style="text-align: center;"><b>Dr. Graham Arnold Jullien</b> University of Calgary Calgary, AB</p> <p>For contributions to the application of number theoretic techniques in signal processing.</p>	<p style="text-align: center;"><b>Mr. Clayton Hedley Reid</b> Rockwell Automation Cambridge, ON</p> <p>For contributions to medium voltage motor control technology.</p>

*Congratulations to you all!  
Félicitations à tous!*
