Call for Papers and Participation**2011 IEEE PES Conference on
Innovative Smart Grid Technologies Latin America (ISGT-LA) :****October 19-21****InterContinental Hotel Medellin, Colombia****www.ieee-isgtla.org**

The first *Conference on Innovative Smart Grid Technologies Latin America (ISGT-LA 2011)*, sponsored by the IEEE Power & Energy Society (PES), will be held during October 19-21, 2011 at the InterContinental Hotel in Medellin Colombia. The Conference will be a forum for the participants to discuss state-of-the-art innovations in smart grid technologies and their applicability to Latin America. The Conference will feature plenary sessions presented by international experts on smart grid applications and best practices and paper presentations. The ISGT LA conference will build on the tradition of excellence of the preceding conferences held in Gaithersburg-USA (2010), Gothenburg-Sweden (2010) and Anaheim-USA (2011).
