- 1. Mr. S. Sathyapal**, Director of Indian Institute of HAMs, Karnataka Chapter.
- 2. Mr. Nithin Muttin**, Secretary of AMSAT India & Working at Intel, India

**About The Event:**

The “HAM Boot-Camp” was an exhaustive held for students and faculty of all schools of REVA University to experience the live demonstration of HAM (Amateur) Radio within REVA University campus. The event starts with setting up antennas like omni directional antenna on top of the roof of our University building at 3:30 PM on 11<sup>th</sup> February. This session continued up to 10 PM. Next day on 12<sup>th</sup> February all participants present at 6 AM for next session. All students and faculty took part in live demonstration of HAM Radio and had conversation with other HAM Licensed persons from different parts of India and also from Srilanka. All had hands on experience of using walky talky. The IHH team also demonstrated BITx kit. Mr. Nithin has given a seminar on “Decoding Telemetry from Amateur Radio Satellites” at 9 PM. Mr. Sathyapal Sir has demonstrated how HAM communication works on Android Mobile. The overall experience was very good.
