Total Number of Participants: 20

About the Event:
Best Android App Developer Contest was held to promote mad(c) being conducted by IEEE all across the globe. Participants developed android apps which are useful to society and addressing issues related to social concern. Partiipants were given limited period of time to develop these applications. The best app developed was judged based upon User Interface, Audience selection, Problems solved, Advantages and etc. The winner's team was rewarded with a cash prize. All guidence was given to students to attend mad contest.
