About The Event:

SATHKRIYA is an event which was organized by IEEE Student Branch REVA University for spreading smile, happiness, love and care. On 15th August 2017, IEEE SB RU students have gone to Abilashrayam to help the kids from age group of 6 to 17. We have gathered and brought the needed things for the kids. We have planned to celebrate the joyful day with them by cutting cake and conducting many activities. We believe "Giving is not just about making a donation. It is all about making a difference".
