Total Number of Participants: 85

About The Quizoholic:

The event was conducted in Aryabhata seminar hall, REVA University. Total participants were 85 in number. There were 4 rounds, in each and every round participants were asked to answer challenging questions. This event was mainly organized to attract the NON IEEE Student members. This event had four rounds. 1st round was written round based on current affairs. Top 30 teams were qualified for the 2nd written round which was based on riddles. Top 10 teams were qualified to 3rd round where they were shown slides of great personalities, monuments, flags, etc and were asked to identify. Top 3 teams were then qualified to the last round which was rapid fire round. Participants were shown 10 questions and were asked to answer within a period of 2minutes.
