### REPORT ON EVENT 39

## SEMINAR ON WRITING TECHNICAL PAPERS

**Date: 28 October 2017**

**Main Coordinator: Prof. Shrikant Tangade**

**Total Number of Participants: 100**

#### About The Seminar:

This seminar was conducted mainly on the concept of encouraging and helping the PhD scholars to prepare and submit technical papers to International conferences and Journals. Even though many scholars have good ideas and concepts regarding their research work, they need to know how to write technical paper in required format. This seminar helped all of them. At the last session, students were even exposed to the concept of implementing their research work into to reality.
