The agenda began with Mr. V. Ashwini kumar (Student Branch Advisor) addressing the gathering. He mentioned the use of planning an academic calendar for IEEE CS which included the type of events that should be performed in mere future.
This was followed by Dr. Akhil Khare (Head ,CSE dept) speaking about the importance of AI and to know its extent. He also mentioned regarding the workshops, certifications ,etc which help students in grading up themselves.
Dr. D. Kanaka Durga (Principal, MVSREC) conveyed her wishes to the team and suggested students to make use of IEEE CS platform to excel in their problem solving and computing skills.
Mr. Anurag (Head, The Climber) briefed about MyCaptain Connect which provides directions to students to evolve and achieve success.
