## Session details:

**Date:** 14<sup>th</sup> May 2020

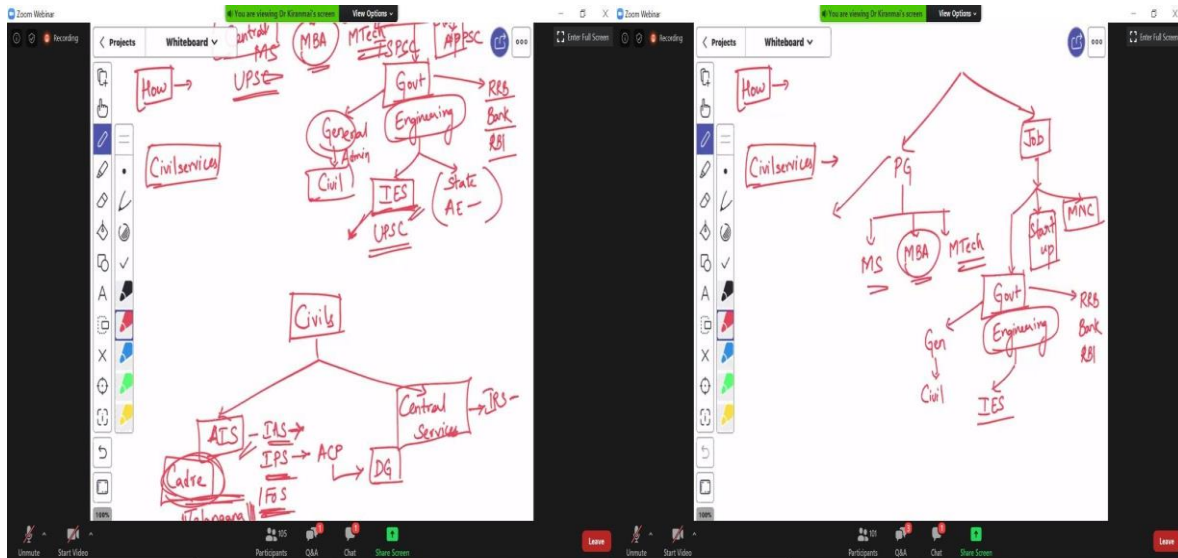

**Time:** 4:00 pm to 5:30 pm

**Mode:** Online Interaction

**No. of participants:** 125

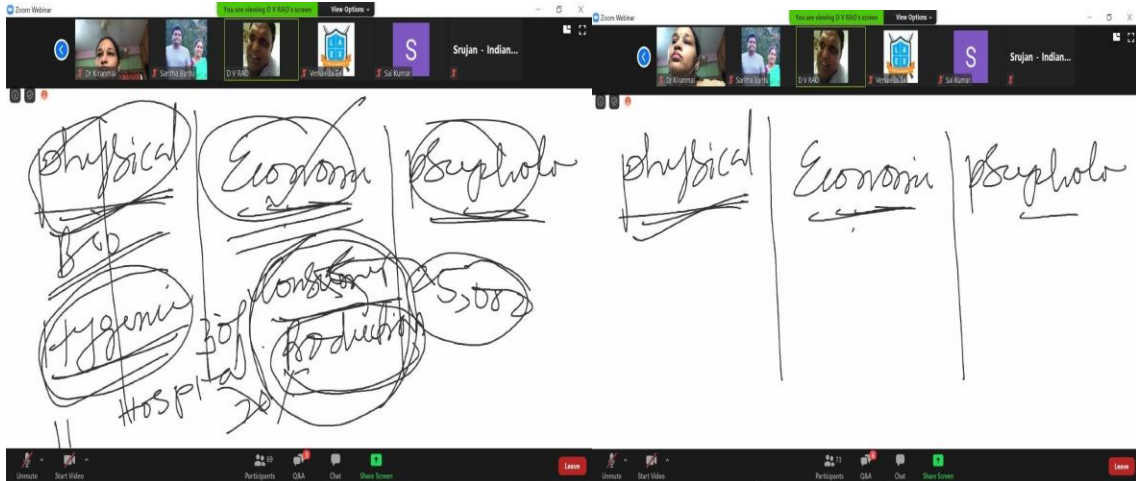

The session started with the introduction of Dr. Kiranmayi Koppiseti, MBBS MS by Mrs. B. Saritha, CS Student Chapter Advisor, IEEE MVSR SB. Being a medical student, Dr. Kiranmayi has always wished to help the needy apart from providing them proper medication. Thus, even after having a five-year old kid, she strived hard and cracked civils in the very first attempt itself.

She has shared her experiences and told the basic knowledge required for anyone to crack a particular course. She has shared a detailed explanation of what kind of different career options could be encountered and what are all the various steps to be taken in order to achieve them. The session was very well engaged and the students grasped the key points well.

Dr. Kiranmayi explaining about different career options

Later, she has delivered a fruitful message to all the students regarding the current pandemic situation and motivated them to take up their career seriously in order to excel in future.

Speaker describing about categories of jobs

The effort of IEEE Computer Society of reaching out students to the fullest and technically encouraging them has seen a growth by every event. A vast range of audience are covered in the event with a sum of 125 students as initial participation.
