Ms. Pratyusha, Chairperson of WIE IEEE MVSR SB took the initiation for this event. Under the guidance of Student Branch Counsellor Dr. D. Hari Krishna and our WIE Chair Ms. Pratyusha the team of volunteers organized and implemented this event successfully. The evening started with a warm welcome from the orphanage girls and their orphanage organiser Mr. Prasad Rao. He explained, how he manages and support the girls in orphanage.

All the girls were extremely active, enthusiastic, and friendly. The girls were filled with happiness as the event started with a game called Thambola where every girl participated whole heartedly. This game was followed by another game named pin the tail of the pig where the girls were divided into groups and made sure each girl participated. In this way the team volunteers helped the girls develop the team spirit (management).

### Activities Conducted

The game sessions then followed a musical session where in girls sang along with the performer. After this session, there was a guest lecture by our Student Branch Counsellor Dr. Hari Krishna and later we interacted with girls about the issues/problems they are facing daily, and how are they overcoming them. Following it was dance performances where in each girl participated enthusiastically.

### Prize distribution

The event was concluded by prize distribution to the winner of the games which included stationary items, books and distributed chocolates and sweets to the girls of orphanage. Sadly we bid a goodbye to the energetic souls, who also sang goodbye song to the team volunteers of IEEE MVSR SB.

We were happy to meet them and had a chance to be one of the many reasons for their smiles.
