Poster for the event

Hyderabad city is affected with heavy rains, streets and roads of the city were submerged with water and led to a pathetic situation. People faced the situation, where they had to live in water. They were unable to eat properly. So, IEEE MVSR SB had decided and conducted a food donation drive to those areas.

The drive was headed by Dr. D. Harikrishna, Student Branch Counsellor, IEEE MVSR SB and volunteered by IEEE MVSR SB executive committee members. The drive's idea was to distribute food packets which merely costs INR 25/- each. We have collected an amount of INR 2500/- and brought 100 packets. Our volunteers visited the flood-affected areas and provided a food packet along with a water bottle to each person. Some of the areas they visited are Dilsukhnagar, Kothapet.

IEEE MVSR SB ExCom distributing food packets to the people

Firstly, volunteers visited the dilsukhnagar area and started distributing the food packets from there and a whole of 20 packets were distributed in that area. Then, they went to kothapet, visited a lane which has knee-deep water and a whole of 50 packets were distributed around that surroundings.

Lastly, they went to saroornagar lake and nearby areas to it, distributed a whole of 30 packets to the people present over there.

A total of 100 food packets along with water bottles are distributed to the people in the visited areas.
