Attendees in the session

The session is started by Mr. N. Avinash , Secretary, PES Student Chapter IEEE MVSR SB by greeting the attendees and then he introduced the speakers.

The webinar is delivered by Dr. D. Hari Krishna, Student Branch Counsellor IEEE MVSR SB, PES Student Chapter Advisor and Ms. R. Ramya Sri, Chairperson, IEEE MVSR SB.

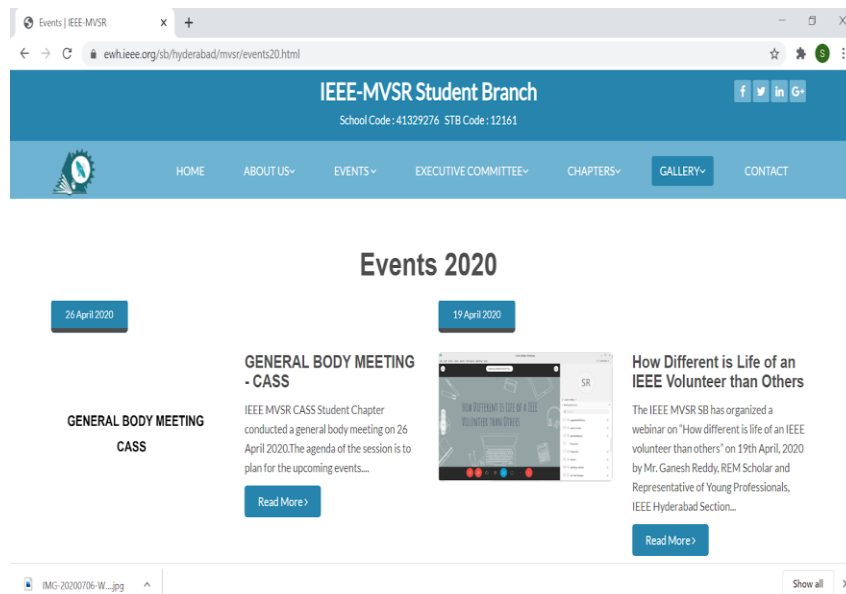

Later, IEEE MVSR Student Branch Chairperson Ms. R. Ramya Sri has started the webinar. She explained what IEEE is, its mission and vision. She shared the reasons for why a student must be a part of IEEE and benefits of IEEE.

She made aware of many benefits a student can acquire by joining IEEE. She explained how IEEE Collabratec helps to network with professional people, and also shared that internships will be provided, she added that there are some special interest groups where one can share their knowledge or know about the advancements in technology.

She explained how IEEE Xplore Digital Library helps us to explore wide range of knowledge through journals, articles, papers etc. and she briefed about IEEE Spectrum magazine, IEEE Potentials and that they can be accessed by IEEE members.

She shared that there are Google apps of IEEE for its members and also the IEEE Resume lab where one can refer to and build their resume. She explained us about the IEEE mentoring program. She later mentioned about IEEE TV where members can keep themselves updated in terms of technological development. Lastly, she explained about the various awards students can win and get financial aid for education.

Later, the session is presided by Dr. D. Hari Krishna. He shared about the history of IEEE MVSR SB. He also shared about the present Executive Committee members, the list of events conducted by IEEE MVSR SB. He mentioned the achievements of IEEE MVSR SB and the awards bagged during various years.

Speaker describing about events

He has showed some of the pictures of events attended by the IEEE MVSR SB members in IEEE Hyderabad Section. He shared that IEEE conducts many workshops, webinars, conferences, hackathons etc. worldwide. He told that if one can write a paper and publish it in IEEE, he or she can get recognition and can get discounts for conferences, seminars etc. happening around the world.

Some facts about Power Energy Society and its functions are mentioned by him. He said that PES is the second largest technical society in IEEE and that one could stay up to date on latest advancements in power industry. He shared about the IEEE PES Resource Centre which is a library exclusively to power and energy society and also about the PES Scholarship which benefits students.

Later, he also gave the knowledge about IEEE SMART GRID and said that it encourages the environment-friendly smart-grids around the world and also about the Women in Engineering (WIE) society and said that it supports education and career advancement of women in engineering industry.

Later, IEEE MVSR SB Chairperson Ms. R. Ramya Sri, IEEE MVSR PES Student Chapter Chairperson E. Pavan Kumar, IEEE MVSR PES Student Chapter Secretary N. Avinash have shared their experience and how IEEE has helped them to mold their career and to gain knowledge about the latest technologies.

Later, the two speakers cleared the doubts raised by the attendees.

At the end, vote of thanks is given by IEEE MVSR PES Secretary Mr. N. Avinash and thanked Ms. Ramya Sri and Mr. E. Pavan Kumar for sharing their experiences.
