Session Details:**Date:** 07th September 2021**Timings:** 06:30 pm to 08:00 pm**Number of Participants:** 31

The event was commenced by Ms. T. Snigdha, IEEE MVSr PES Student Chapter Chairperson by welcoming Dr D. Hari Krishna, IEEE MVSr Student Branch Counsellor, IEEE MVSr PES Student Chapter Advisor, Mr. I. Narasimha Swamy, EEE Department faculty coordinator for IEEE and all the Executive Committee members. Then she went on to explain the agenda of the meeting and later called upon Dr D. Hari Krishna to address the meet.

Dr D. Hari Krishna Commencing the Membership Drive

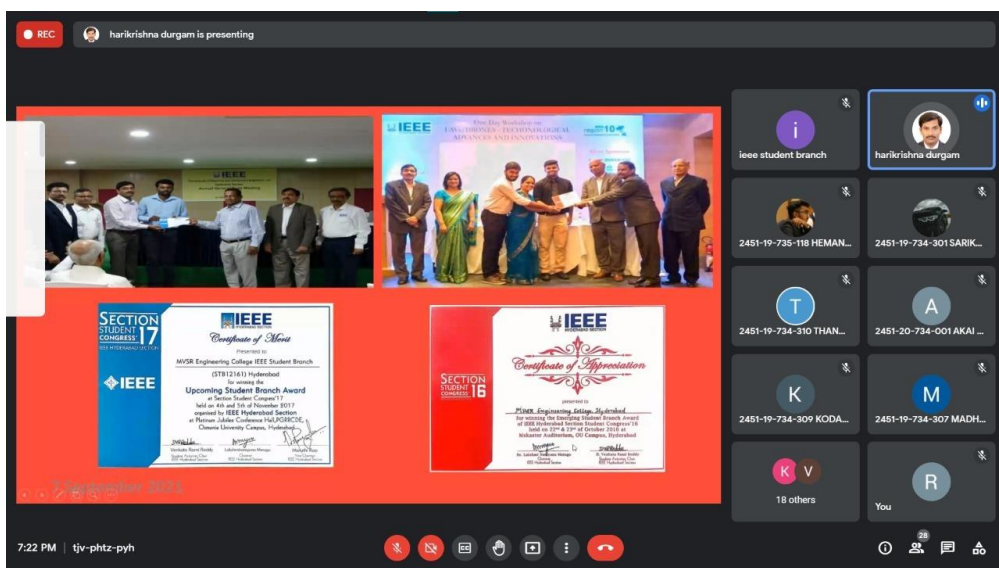

Dr D. Hari Krishna firstly greeted and welcomed Mr. I. Narasimha Swamy and all the students to the session. He then explained briefly about IEEE, wished everyone best of luck, and later handed over the session to Ms. Snigdha. She invited Mr. I. Narasimha Swamy to address the meet. Mr. I. Narasimha Swamy greeted everyone and gave the students a brief account on his journey in IEEE as a member since his Warangal tenure. He later went on to explain the numerous advantages a student can have by being an active IEEE member, such as to develop communication skills, relationship building, leadership qualities, event management and how it would be beneficial in their career and life. In the end, he inspired the students by quoting 'Feel it, do it' and then concluded by thanking everyone and wishing all the students to do well.

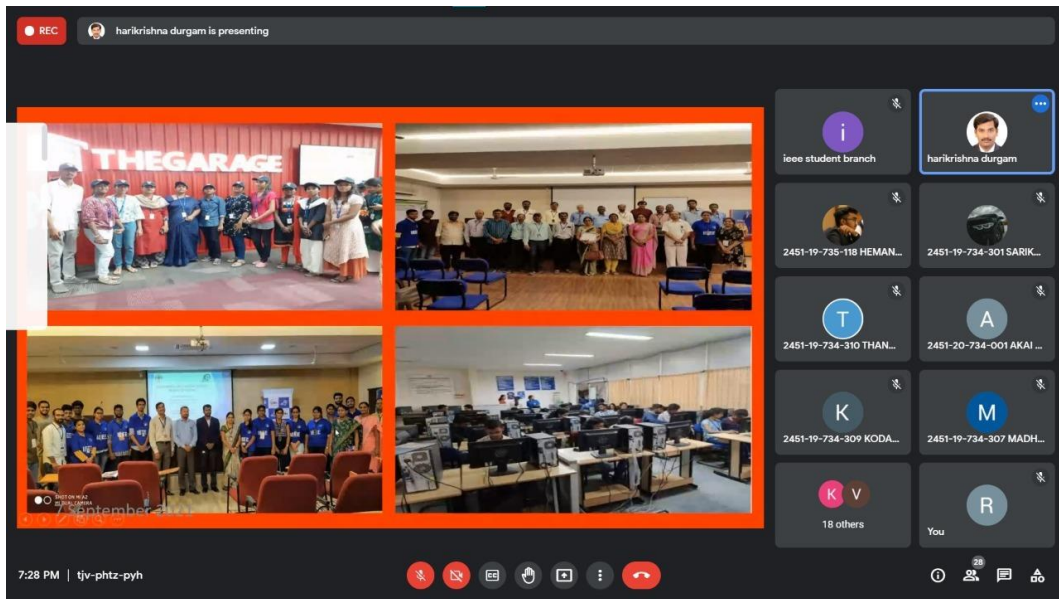

Dr D. Hari Krishna presenting the IEEE Motto

Later, Dr D. Hari Krishna took over the session and gave a presentation on what IEEE is, it is spread across 160 countries and has 40,000+ members and explained about the IEEE tagline, 'Advancing Technology for Humanity'. He shared about his journey in IEEE after his PhD in 2008, how one can reap the benefits of IEEE through Technical Papers, Workshops, Journals, and Conferences just like he did. He explained how members who actively participate and work hard can gain recognition and awards. He illustrated how IEEE has equal opportunities for all its branches and pointed out that PES is the 2nd largest society of all the 37 societies.

He continued to explain more about IEEE, history of IEEE MVSR SB and the various awards and scholarships students can win. He gave a brief description on some of the key events IEEE MVSR SB has organised and the awards it has won. He then summarised the key takeaways of being an IEEE member.

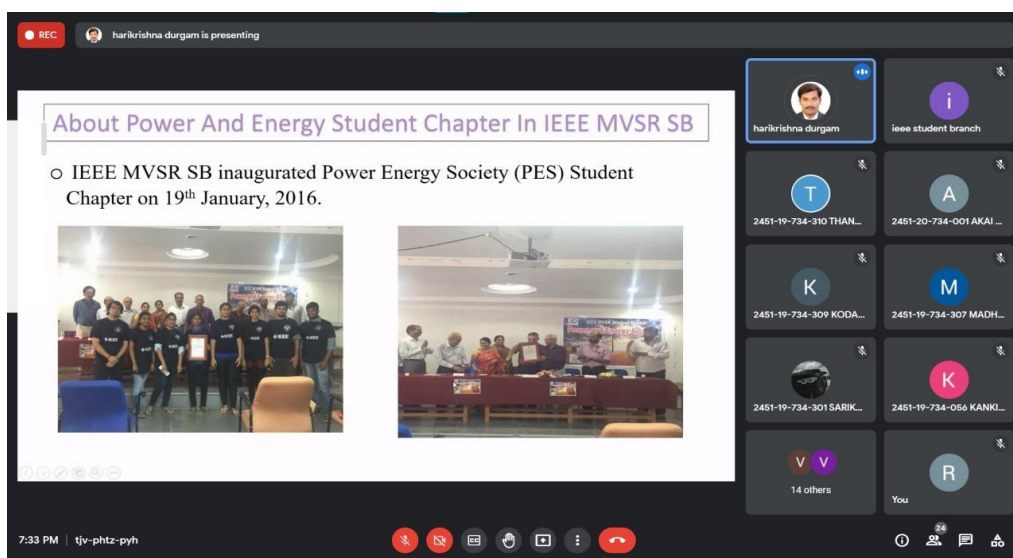

Awards & Accolades received by IEEE MVSR SB

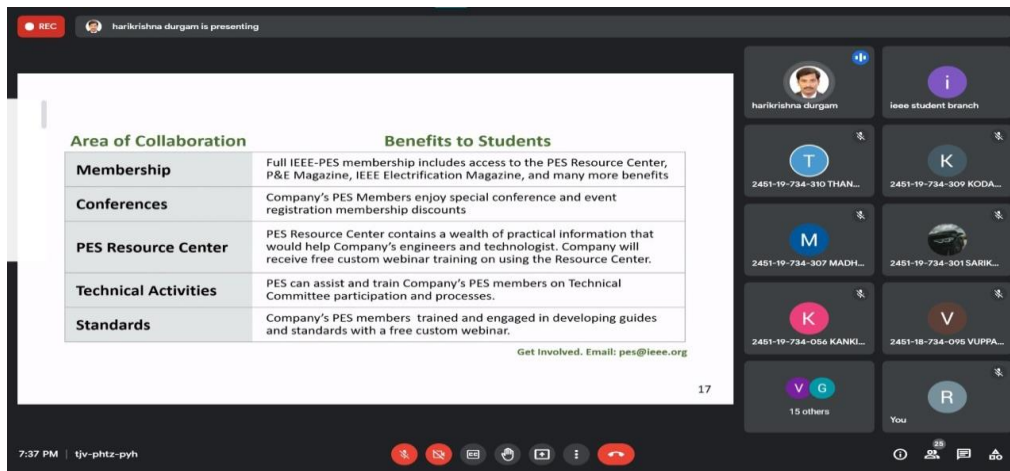

Events and Workshops organised by IEEE MVSR SB and its Student Chapters

Followed by this, Dr Hari Krishna moved on to explain more about IEEE MVSR PES Student Chapter. He gave the students a brief account on its history, right from its inauguration on 19th January 2016 and since then its main objective is to be the leading provider of scientific and engineering information on electric power and energy for the betterment of the society. He explained that there is immense scope for students in the society whether it comes to research, development, planning, design, construction etc. He later went on to explain about smart grids and the scope of smart grids in the future and how students can learn more about it by joining IEEE and interacting with people all over the world. He presented the students with the detailed cost of the membership and pointed out that a student in any course can join any IEEE society of his interest. Finally, he listed out all the numerous achievements and awards won by PES Student Chapter in the past and how they are focused on achieving more in the future. He then handed over the session to Ms. Snigdha.

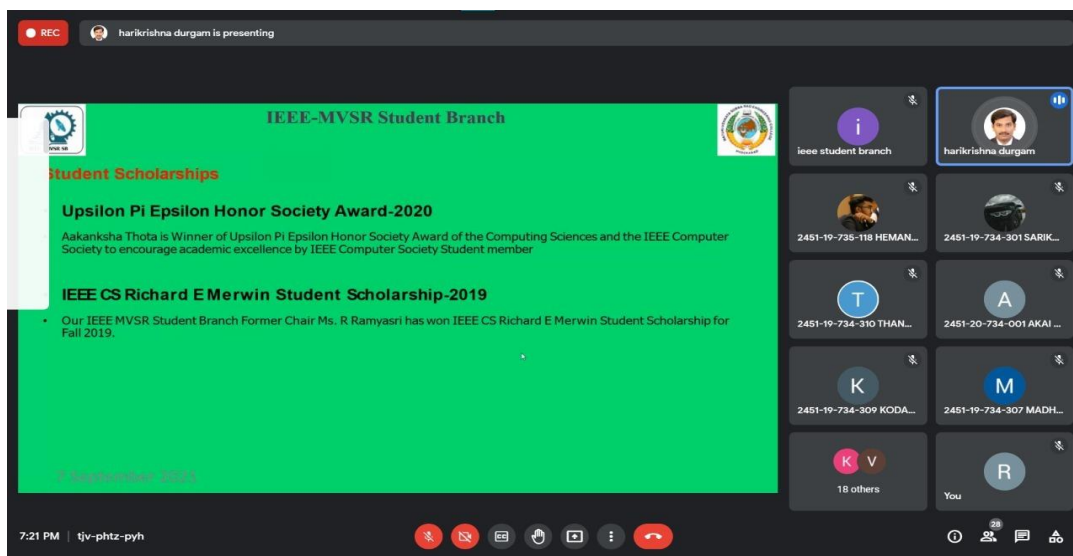

PES Student Chapter Inaugural

Benefits of IEEE-PES Membership

Ms. Snigdha IEEE MVSR PES Student Chapter Chair and an IEEE member since past 2 years explained her fellow mates about the benefits, they can avail by joining IEEE and the different scholarship opportunities for students of different years. Later, she invited Ms. Nikita Reddy, IEEE MVSR PES Student Chapter former Chairperson to give her insights on IEEE membership and share her experience.

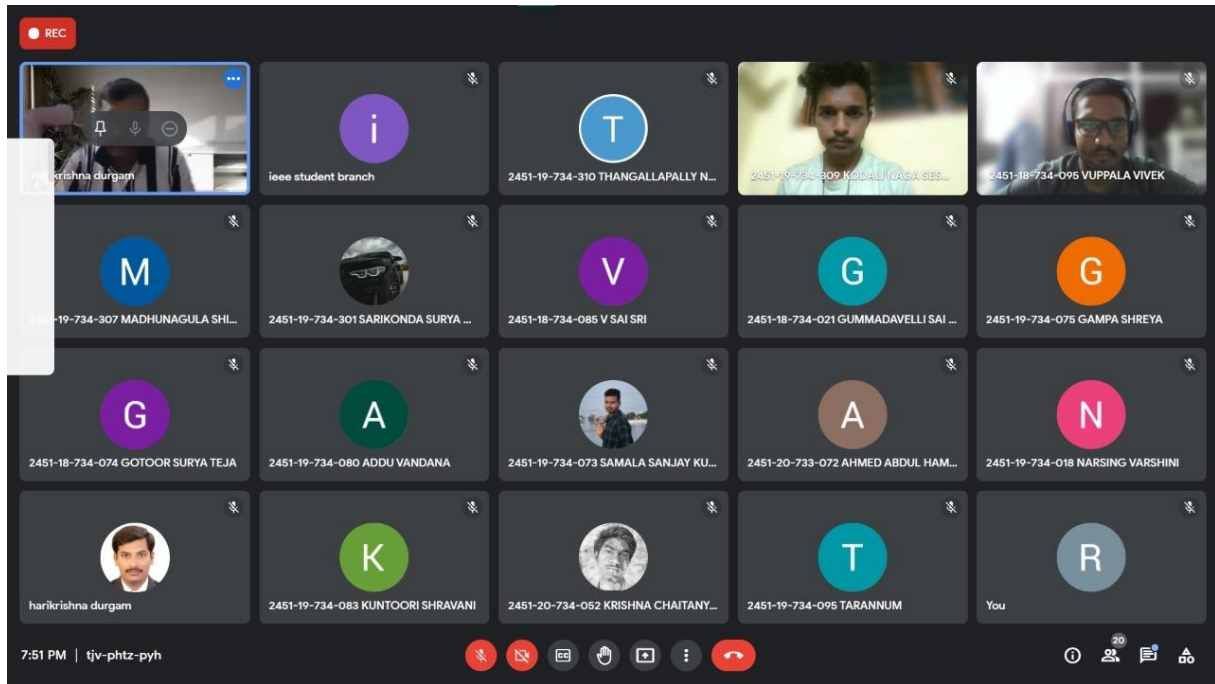

Scholarships Awarded to Student Members of IEEE MVSR SB

Ms. Nikita firstly expressed her gratitude to all the faculty members who have guided her throughout her IEEE journey. She then described her journey in IEEE since the time she joined as a member in her second year of college and then by actively participating in different events went on to become the IEEE MVSR PES Student Chapter's Joint Secretary in her third year and IEEE MVSR PES Student Chapter's Chair in her fourth and final year of college. She explained how writing reports of events improved her writing skills which helped her to write many technical papers. She pointed out how participating in different events improved her communication skills, confidence and time management etc. She also notified everyone that not only the Ex-Com members but all the student members will have equal opportunities through volunteering and suggested everyone to join IEEE so that they get benefited in their career. In the end, she thanked everyone for inviting her and presenting her with the opportunity to share her journey.

Dr D. Hari Krishna then appreciated Ms. Nikita for giving her time and contribution to IEEE and requested everyone to join IEEE so that they too can reap the benefits as she did. At last, he thanked everyone for attending the session.

Followed by this the attendees were asked to put for their queries and Dr. D. Hari Krishna has answered the queries. Ms. Snigdha then gave the contact details of PES ExCom for everyone to clear their queries if they had any in the future.
