**IEEE MVSR SB Chair commencing the GBM**

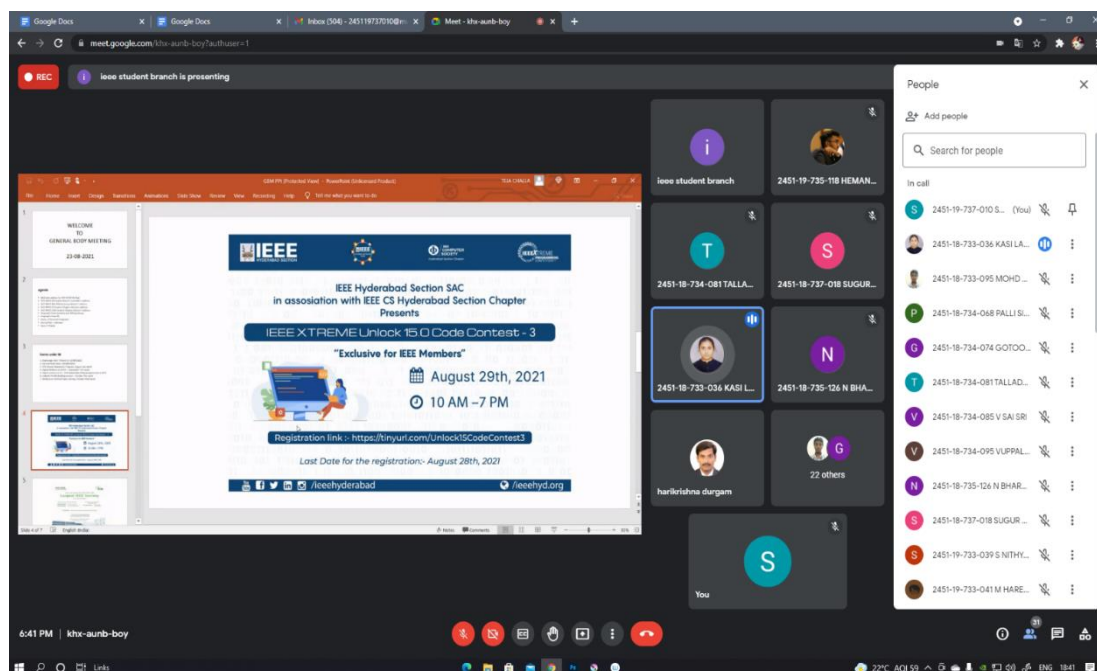

The meeting was commenced by Mr. Ch. Sai Teja, IEEE MVSR Student branch Chairperson, by welcoming Dr D Hari Krishna, IEEE MVSR Student Branch Counsellor, IEEE MVSR PES Student Chapter Advisor, Mrs. A Vijaya Vahini, WIE Affinity Group Advisor, Mrs. B Saritha, CS Student Chapter Advisor and all the EXCOM members. He then presented the agenda of the meeting and called upon Dr D Hari Krishna to address the meet.

**Agenda of the meeting**

Dr D Hari Krishna notified about the IEEE Membership Subscription Offers which are running and asked Chairperson to collect the data with the aid of membership committee and publicize them. He mentioned that information regarding IEEE membership and its societies membership offers should be circulated among the class groups regularly so that we can have a good count of IEEE members in our college. He suggested that whoever is interested and could not be a part of EXCOM can volunteer for the various events conducted under IEEE MVSR Student Branch. Later Mrs. B Saritha, CS student branch advisor addressed the meet and congratulated the newly formed EXCOM. She encouraged the team to function with the same spirit during the entire tenure.

Followed by this, Laxmi Priya Kasi, Chairperson, IEEE MVSR CS Student Chapter, presented the annual plan of CS Student Chapter as chalked out in the CS Student Chapter first GBM. She mentioned that awareness session for IEEE Xtreme 15.0 was planned to clarify doubts regarding the contest as early as possible and to provide sufficient time for contestants to practise. She also mentioned that they have planned to conduct awareness sessions on Uplison pi Epsilon and REM awards in the 2<sup>nd</sup> week of September. In the last week of September they are planning to conduct an interaction session with alumni. Then she briefed about a collaborative social outreach event with CASS Student Chapter on e-waste management. She shared that Week of Learning will also be held this year just like the previous year which received a positive response. Other than the aforementioned events they have also planned to conduct weekly contests, monthly projects and were ready to add four new clubs like IOT club and WEB club which will work parallelly with coding club and will explore their respective fields.

**Ms. K Laxmi Priya Briefing about Upcoming Events.**

Later Ms Vibhava Sugur, Chair, IEEE MVSR WIE Affinity Group, addressed the meet and briefly presented the annual plan of WIE affinity group. She mentioned that WIE Affinity group has successfully completed the social outreach program. She notified that they have planned to conduct webinars on interview trainings and organize Tech Quiz in the month of October. They have also planned to conduct a webinar on virtual labs which has become the essential requirement for the students due to the pandemic. She also added that they are planning to conduct a self-defence awareness session in the online mode. She has also stated that WIE affinity group will be collaborating with CS and PES Student Chapters for technical events. In January they have planned to conduct online sessions on career advancements, personal development and life skills.

Then Mr N Bharghava Saketh, Vice Chair, IEEE MVSR CASS Student Chapter, greeted the attendees and shared the annual plan of CASS Student Chapter as discussed in the CASS GBM. The Chapter has planned to conduct a 3 days Machine learning training in forthcoming days. On September 7<sup>th</sup> Tech quiz is being planned on the occasion of CASS Formation Day. He mentioned that in the month of October they have planned to conduct Verilog coding sessions, Tech talks and group discussions on tech topics. Hands on training on topics like Microprocessors, Image Processing, Arduino, Raspberry Pi are scheduled in November.

Followed by this, Ms T. Snigdha, IEEE MVSR PES Student Chapter Chairperson addressed the meet and provided an overview of the annual plan of PES Student Chapter. The chapter has planned to organize a membership drive in near future. She mentioned that the PES Student Chapter has scheduled Webinars on Electric Vehicles, Career Guidance, Electric Energy Conservation and Poster Presentation in the month of September. They have planned to collaborate with WIE Affinity Group for Do-It-Yourself event. Quiz on BEE is also planned by the Student Chapter. In the month of November, they have planned to organise webinars in collaboration with CS Student chapter. A project expo is scheduled in December. She also mentioned that workshops on simulation tools and research papers will also be organized under PES Student chapter. Alumni contributions are also planned and scheduled.
