She then congratulated Dr D Hari Krishna for being selected as a member of the IEEE PES Hyderabad Section for this year. She then threw light on the events which were successfully organised by the PES chapter in the past few months and also mentioned the member strength of the IEEE MVSR PES Chapter. Later, the meeting was preceded by Dr D Hari Krishna.

Dr D Hari Krishna asked the students to renew their memberships as there is an offer running for a limited period and also asked to update the website so that newly joined students will come to know about the benefits of IEEE PES. He has congratulated Mr Avinash, Chairperson, IEEE MVSR SB and Mr Sahith, Head, Membership Committee, IEEE MVSR SB for their excellent performance in IEEE Xtreme 14.0.

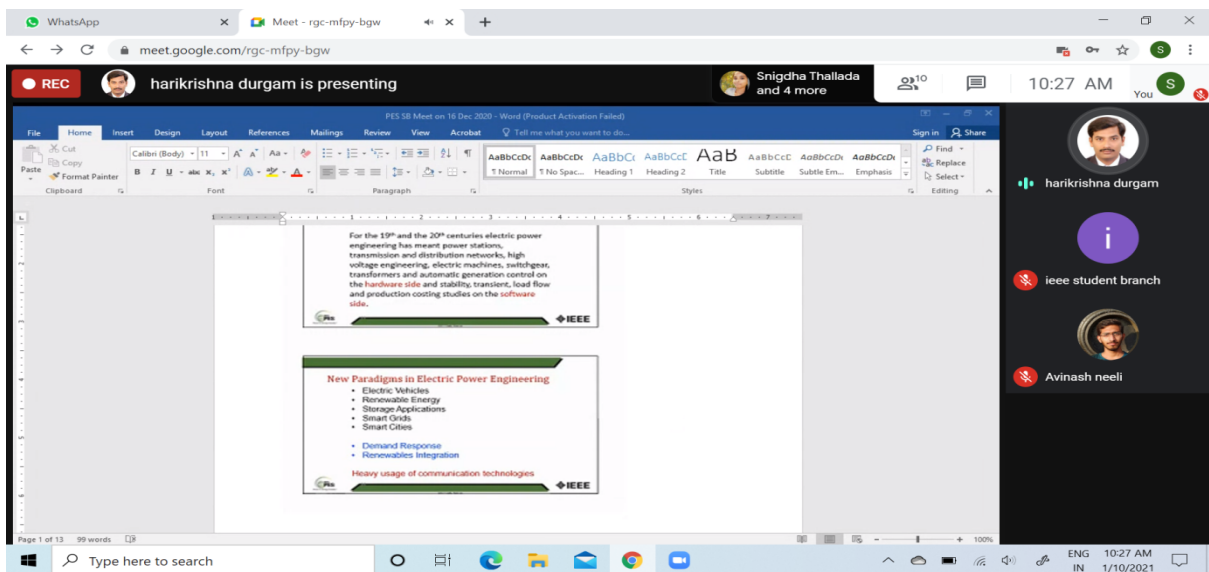

Later, he has shared the presentation given by Mr Saifur Rahman in a meeting held by IEEE Hyderabad Section. He has presented the lists of upcoming trends in Electrical Engineering and opined that these topics can be considered to organise seminars and workshops and also motivated Executive Committee members to explore more in the given fields. He encouraged students to explore IEEE for more information and presentations rather than searching in search engines as the information is well authenticated and verified.

He suggested students explore the IEEE PES Resource Centre, Mentor-Mentee program and various options available in IEEE. He also mentioned that there is a Smart India Hackathon and briefed that problem statements are not limited to CSE students and that all branches can participate.

Then, Dr D HariKrishna has shared that there will be an event on IEEE Formation Day, on January 20<sup>th</sup> and PES Formation Day on the other day, where a virtual speaker will be for the event. He asked Ms B. Nikita Reddy to train Executive Committee members in maintaining registration lists and feedbacks, creating links for forms and designing work.

Later, Ms Nikith Reddy urged third-year students to motivate second-year students to take IEEE membership. Then, Dr D HariKrishna, mentioned that virtual speaker hasn't been utilized and asked Executive Committee to look into that matter. Mr Avinash suggested that a membership drive must be conducted for juniors to increase the members count in IEEE. He also briefed about the SHRI PRALHAD P CHABARIA award and asked women students to write a paper that adds weightage, to grab that award.

Later, Dr D HariKrishna has insisted to organise an article writing competition and asked Executive Members to discuss the topics. Ms P. Sisira Reddy, Secretary, IEEE MSVR PES came up with the idea of organising a webinar on SCADA as this topic may grab attention from juniors. Followed by this Dr D HariKrishna urged students to participate in Project Expos. Mr Avinash then asked juniors to suggest names who have expertise in designing as there is a demand for members in Designing Committee.

A vote of thanks by Mr G. Surya Teja, Joint Secretary, IEEE MVSRR PES chapter, marked the end of the meeting.
