Narasimha Swamy EEE department faculty coordinator for IEEE MVSR, Mr. Guru Prasanna, faculty from EEE department and all the PES Student Chapter Executive Committee members. Then she went on to explain the agenda of the meeting. Later, Dr D. Hari Krishna addressed the meet.

Dr D. Hari Krishna firstly congratulated the newly formed PES Student Chapter ExCom and then started describing about the events which are to be planned and conducted by the Power Energy Society Student Chapter for the year 2022. He also stated that IEEE MVSR PES student Chapter have applied and bagged the HPSBCP award with the funding of \$351 for the year 2021-2022 and \$150 for the year 2020-2021.

Dr. D. Hari Krishna talking about the development of IEEE PES Student Chapter

Then, Dr D. Hari Krishna continued with the importance of the collaborative events and how they will help the Power Energy Society Student Chapter. He stated how collaborations can be done at Society level, SB level, Region level and National level. He also gave the insights about the technical events, non-technical events, workshops, and industrial visits could be conducted for this year. He also highlighted the fact that conducting offline events and workshops was important since the pandemic condition is in control. He also reminded about the ambassador events and asked the ExCom members to be more attentive in conducting those events. He also

explained about the importance of improving the participation in the events. Later he requested Mr. I Narasimha Swamy to address the meet.

Mr I Narasimha Swamy greeted everyone and congratulated the newly formed ExCom. He explained that he was a part of SESREC CELL and took the words of Dr D. Hari Krishna about the collaboration. He said how SESREC and PES Student Chapter can collaborate on various activities like Energy Management and Social Awareness Activities on Energy Conservation. He also expressed his interest on plantation and outreach programs.
