Aruna, IEEE MVSR CASS Student Chapter Advisor and all the EXCOM members. He briefed about the agenda of the meet and then invited Dr. G. Kanaka Durga to address the meet.

Dr. G Kanaka Durga greeted everyone present in the meet. She firstly congratulated IEEE MVSR SB Advisors and Executive Committee members for achieving 200 plus membership count. Dr Kanaka Durga lauded the efforts of Executive Committee members for propagating the benefits of IEEE membership to their fellow mates and juniors and also for organizing good quality events in regular intervals. She highlighted the importance of Technovanza and what this flagship event means to college and students. Dr Kanaka Durga urged the Executive Committee members to come up with good events and asked them to plan and schedule the events scrupulous manner.

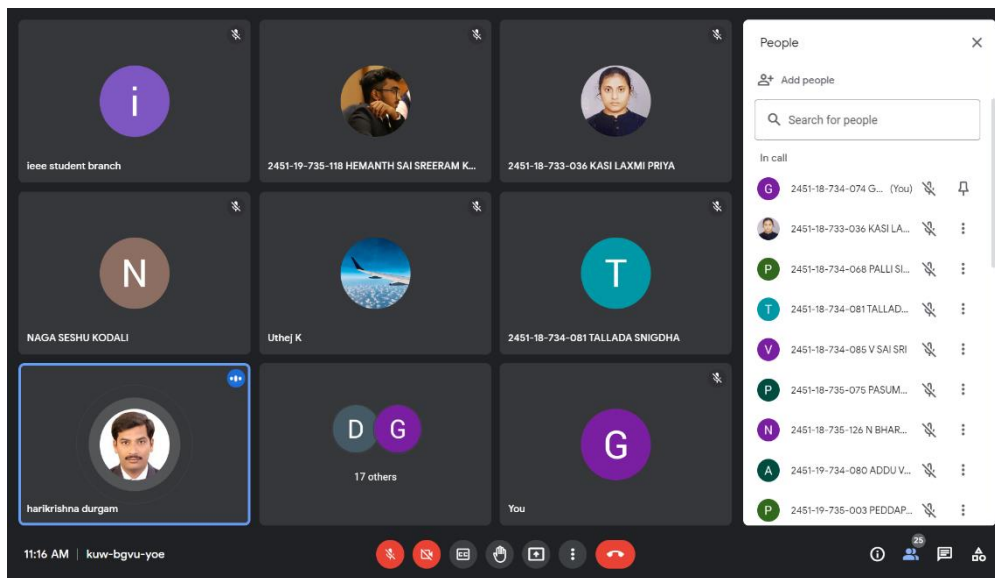

Dr D Hari Krishna Addressing the Meeting

Dr D Hari Krishna greeted all the attendees and appraised that permission has been granted for Technovanza 2K22 after lot of negotiations. This time the event will be held in a hybrid mode i.e., first day all online events will be organized and on second day all offline events will be scheduled and the fest will conclude with a valedictory ceremony. Technovanza 2K22 will be organized on 28th April and 29th April 2022. All the online events will be held on 28th April and all the offline events will be held on 29th April. It was brought to the notice of the ExCom members that Technovanza 2K20 was organized offline but Technovanza 2K21 was orchestrated online due to prevailing pandemic situations and curbs put in place by the Government. Technovanza 2K20 and 2K21 received a great response with each and every event accounting for good number of participations.

Executive Committee members were advised to plan and schedule the events meticulously to increase the participation of the students. Dr Hari Krishna also mentioned that various departments have assured their support to Technovanza 2K22 and guaranteed their services and resources. He concluded by advising the ExCom members to take utmost care in sponsorships and publicity of events.

Followed by this, Mr. Ch Sai Teja, Chair, IEEE MVSR SB requested Dr Hari Krishna, to unveil the theme of Technovanza 2K22. The theme was selected based on the results generated by a poll in which all the ExCom members casted their opinion. The theme selected for Technovanza 2K22 is "**Innovate, Explore, Evolve and Emulate with Technology**."

Later, Mrs. B Saritha, IEEE MVSR CS Student Chapter Advisor was invited to address the attendees. Mrs. Saritha urged the ExCom members to plan specific events which would attract more number of students. She also revealed that, a good number of events were discussed for Technovanza 2K22 which will be listed by Ms. K Laxmi Priya, Chairperson, IEEE MVSR CS Student Chapter.
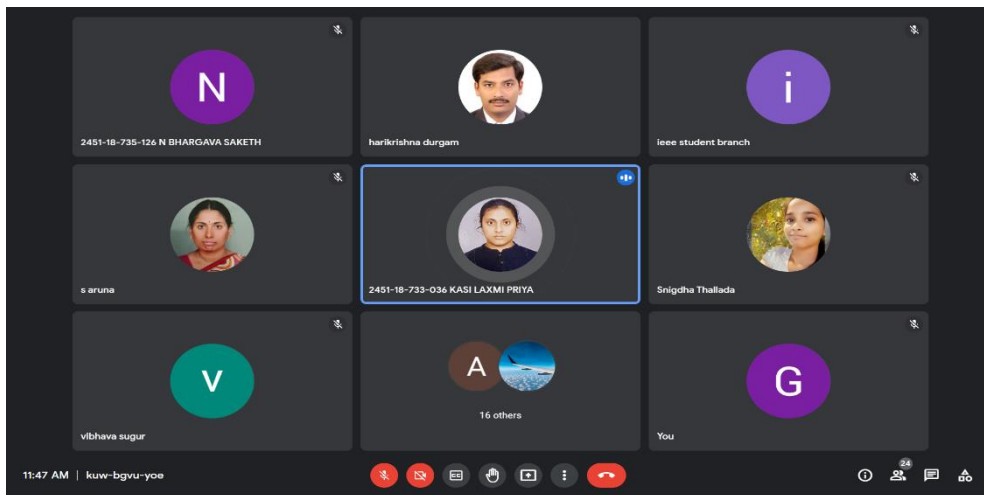

Mrs. S. Aruna, IEEE MVSR CASS Student Chapter Advisor, notified that ECE Department Head of the Department assured their support to Technovanza 2K22 and have agreed to collaborate for Project Expo. She also discussed about the events which were lined up to be conducted by IEEE MVSR CASS Student Chapter as a part of the fest.

Post this Mr. Sai Teja invited Mr. N Bhargava Saketh, Vice Chair, IEEE MVSR CASS Student Chapter to propose the events which will be conducted by CASS as part of Technovanza 2K22. Mr. Saketh presented four events out of which two were online and two were offline events. First event is Project Expo in collaboration with ECE Department, second is Treasure Hunt a semi-technical event, third one is a Quiz on general topics, this event was particularly designed for the freshers, fourth one is either Poster Presentation or Paper Presentation.

Mr. Sai Teja then invited Ms. T Snigdha, Chairperson, IEEE MVSR PES Student Chapter to list out the events which will be organized by PES as a part of Technovanza 2K22. A total of four events were presented by Ms. Snigdha which are as follows, Circuit based technical event consists of 2 rounds, Treasure Hunt, Brain Boom an online quiz event using a third-party application and a semi-technical event which would involve decryption of PDF's.

Next Ms. Vibhava, Chairperson, IEEE MVSR WIE Affinity Group, was asked to present the events to be conducted by WIE AG. Three events were proposed. First one is an event related to grid solving, hints will be provided to assist the participants, second is Logo Identification, which would be organized online and third is a Treasure Hunt based on small codes and definitions.

Followed by this, Ms. K Laxmi Priya, Chairperson, IEEE MVSR CS Student Chapter, presented the list of events which were pooled up from discussion among CS Student Chapter Executive Committee members. A total of eight events were proposed. Two of them being events related to coding; Codigo and Code-A-Thon. A Mock Interview, Ideathon, Model building an exclusive event for Mechanical Department Students, Build a bridge; a fun event, Jigsaw puzzle code, specifically for freshers and an On Spot Photography event.

Mr. Gautham, Joint Secretary, IEEE MVSR CASS Student Chapter, proposed few fun events which were appreciated by all. Dr Hari Krishna appreciated all the Student Chapters and Affinity Groups for coming with numerous ideas in short notice. He updated that Mock Interview will be conducted by SunTek in collaboration with IEEE MVSR SB CS Student Chapter. Executive Committee members were also made aware of the fact that no certificates or cash prizes will be provided for fun events. The coordinators of respective fun events will be responsible for disposal of prizes or goodies.

All the Chairs of the respective Chapters and Affinity Group were asked to send the details of the proposed events by evening. Dr Hari Krishna also informed that only handful of events out of proposed events will make the cut keeping in mind several factors. Final list of events under Technovanza 2K22 will be displayed on 16th April 2022. He exhorted on conducting good quality events and asked the Chapters and Affinity Group to have at least one technical and non-technical event. Dr Hari Krishna suggested of conducting Paper Presentation online and Poster Presentation as an offline event. He imparted the importance theme identification and urged the ExCom members to come with themes that would cater the needs of all departments.
