IEEE MVSR SB WIE AG acknowledges the worth and significance of women in everyone's lives and their tremendous contribution to society. It celebrates womanhood and pays tribute to the indomitable spirit of women across the globe. The Affinity Group shows gratitude to all the women and honors them by celebrating International Women's Day on campus. Several cultural events were conducted as part of the celebrations. The engrossing part of the celebration was the cooking competition in which delicious food was cooked with love and presented. Ms. Vibhava Sugur, Chairperson, IEEE MVSR SB WIE Affinity Group and Ms. V Sai Sri, Vice Chair, IEEE MVSR SB WIE Affinity Group, volunteered for this event.

The event commenced with a speech delivered by Mrs. A. Vijaya Vahini, IEEE MVSR SB WIE AG Advisor on the "Importance of Women", which highlighted the contribution of women's participation in different spheres in India and emphasized women's contribution to the overall development and empowerment. The speech was followed by a beautiful welcome dance by the students.

Then, Dr. G. Kanaka Durga, Principal, MVSR Engineering College and IEEE MVSR SB Advisor, was felicitated on receiving a prestigious Women's Achiever Award from T-hub. Later a fun quiz was conducted for the faculty. The faculty actively participated in the quiz. The event continued to be entertaining as students came up with a dance performance and stand-alone show.

The celebrations continued with an interaction between the students and faculty on some topics like how to balance work-life, the pros and cons of the teaching profession, and so on.

Felicitation to Dr G. Kanaka Durga, Principal of MVSREC

Finally, the most awaited cooking competition was conducted where all the staff presented their pre-cooked delicious recipes. The dishes were perceived to have been “made with love” and tasted more delicious. Post this, the prizes were distributed to the winners.
