

Respected Sir/Madam,

We are pleased to announce that IIEE-IEEE Student Branch is organizing a full day **Student Project Paper Seminar and Projects' Exhibition "e-Indus 2009" on April 25, 2009** at the **Institute of Industrial Electronics Engineering (IIEE)**, Karachi in which students' groups from various engineering institutes of Pakistan will be presenting their project papers and exhibiting their projects in various disciplines of Electrical, Electronics, Industrial Electronics, Computer Systems and Software Engineering. The Seminar and Exhibition is expected to be attended by over 300 Students, Engineers, Faculty Members, Deans, Professionals and Entrepreneurs.

This is our first event announcement and call for participation. We invite all related and interested students to take part in our Seminar and Exhibition as a group, from all over Pakistan. It would be great help if you introduce our event to someone who may want to participate. However, the students willing to participate are requested to kindly take care of **the approaching deadlines** (details below). Also, we'd be glad and grateful to hear from you, if you have comments and suggestions on this issue, technical or executive.

The event will consist mainly of Student Project Paper Seminar and Projects' Exhibition. Projects' Exhibition of the project papers, presented in the Seminar, will be held during the Seminar. The IEEE Karachi Section will also be looking forward to support the event with its presence. We count on your possible contribution to make the event a great success and the success of this event will be success for all of us. We look forward for your cooperation.

We would be grateful of your decision to grace the occasion by your presence. Please feel free to contact if you have any queries @ eindus@live.com

Thank You.

Best Regards,

Syed Ali Safeer,
Chairman Conference,
"e-Indus 2009".
