

Oct. 16, 2010

IEEE Student Branch Leadership Training Workshop

Activity Report

IEEE Student Branch at Tohoku University

Xiaoyong Zhang (Chair)

Department of Electronic Engineering,
Graduate School of Engineering, Tohoku University

伊達 政宗 (1567 -1636)

(牛タン)

J1 rank: 13

JPL rank: 6

Student Branch Status

■ Membership

- Total (by Sep. 2010): 24
- Increase by: 10

■ Focus on:

- developing membership
- promote communications among members

■ Difficulties in membership development

- English is the IEEE official language
- Only few of students know the benefits of IEEE student membership
- Lacking communications among members

Annual activities

- Annual activities for student membership development
 - IEEE Sendai Section Student Session in the Tohoku-Section Joint Convention (TSJC) of institutes of electrical and information engineers (from 2002 ~)
 - IEEE Sendai Section Student Award
 - Joint Seminar on Information Processing Engineering

IEEE Sendai Section Student Session in TSJC

■ Presentations in Student Session

■ 2010 TSJC (Hachinohe institute of Technology)

IEEE Sendai Section Student Session in TSJC

■ 2010 TSJC at Hachinohe Institute of Technology

IEEE Sendai Section Student Award

- Student award: The Best Paper in the IEEE Sendai section student session
- 2009 awarding ceremony

Joint Seminar on Information Processing

■ Cosponsored by:

- Group of ECEI, Tohoku Univ.
- New Paradigm Computing (NPC) Seminar
- IEEE Sendai Section

■ Features

- Students organization
- Presentation & Discussion
 - Digital signal processing, LCD devices, VLSI design, Image processing, Speech processing, System theory
- This year: Oct. 15, 2010

Joint Seminar on Information Processing (2009)

2010 IEEE Student Branch Leadership Training Workshop
