

**Aerospace and Electronic Systems Society
Member Affairs Status and Activity Report
May 2004 – September 2004**

As of July 2004, AESS membership included 4,493 members, 425 student members, and 19 affiliates. This represents an overall drop of 3.6% in membership since 2003.

We are sending welcome letters to new and reinstated AESS members.

We are sending follow-up letters to SYSTEMS authors.

We are writing membership development articles for SYSTEMS magazine.

We are preparing input for the 5-year review.

Membership Development Materials Sent to Conferences:

2004 Aerospace Conference
2004 Southeast Symposium on Systems Theory
2004 Southeast Software Engineering Conference
2004 Intelligent Transportation Systems Safety & Security Conference
2004 PLANS Conference
2004 IEEE Radar Conference
2004 Integrated Navigation System Conference
2004 Mikon Conference
2004 International Energy Conversion Engineering Conference
2004 IEEE Nanotechnology Conference
2004 Military Applications of Programmable Logic Devices Conference
2004 International Workshop on Ultrawideband and Ultrashort Impulse Signals
2004 AUTOTESTCON

Membership Development Materials Planned for Future Conferences:

2004 International Carnahan Conference on Security Technology
2004 Intelligent Transportation Systems Conference
2004 International Radar Conference
2004 IEEE/AIAA Digital Avionics Systems Conference (DASC)
2004 IEE Waveform Diversity & Design Conference
2004 CANEUS
2004 Core Technologies for Space Systems Conference
2004 USAF Developmental Test & Evaluation Summit
