*EMC Society President Todd Hubing (left) did double-duty on February 13. He chaired the EMCS Board of Directors meeting during the day and gave a 60-minute technical presentation at the Phoenix EMC Chapter meeting that night. Phoenix EMC Chapter member Harry Gaul of General Dynamics presented Todd with some authentic southwest salsa to show the Chapter's appreciation for his efforts.*

*The reception offered an excellent opportunity for members of the Board to meet and "talk shop" with members of the Phoenix EMC Chapter. Shown from left (in foreground) are EMC Consultant Bill Blandford of the Phoenix EMC Chapter with EMCS Board members Henry Benitez of Hewlett Packard and Mark Montrose of Montrose Compliance Services.*

*Jose and Myrthes Perini joined Ana and Carlos Sartori (from left) at a reception hosted by the EMC Society Board of Directors for members of the Phoenix EMC Chapter. The February Board meeting was held in Tempe, Arizona, which is centrally located for many members of the Phoenix EMC Chapter.*
