TO Generator Subcommittee of EMC

From William H Bartley, Chair of WG#3, Generator Rewinds P1662  
and James Michalec, Vice Chair & Secy

In the last twelve months, this WG convened only once, October 25, 2005, in Indianapolis, with Jim Michalec presiding. Prior to that meeting, a small group had undertaken the task of re-organizing the Guide. Draft #7 of the Guide was distributed to WG members in October. The October meeting was devoted to a discussion of the new organization and format of the Guide. Minutes of the 2005 meeting were subsequently distributed electronically to all participants. Work continues.

The next meeting of the WG will be June 20<sup>th</sup>, 2006, during the PES meetings in Montreal.
