TO Generator Subcommittee of EMC

From William H Bartley, Chair of WG#3, Generator Rewinds **P1665**  
and James Michalec, Vice Chair & Secy

In the last twelve months, this WG met officially only once, at the June PES meeting in Montreal. Minutes of the 2006 meeting were subsequently distributed electronically to all participants.

Prior to the June 2006 meeting, Draft #8 was distributed electronically to WG members, and comments were brought and discussed at the meeting. The membership was asked to send all comments to the Chair for inclusion. Subsequently, Draft #9 of the Guide was distributed to the WG membership in February of 2007.

Comments for Draft #9 were incorporated, and Draft #10 was distributed to the membership on Friday, June 1, 2007.

The next meeting of the WG will be on Wednesday, June 27<sup>th</sup>, 2006, during the PES meetings in Tampa.

Respectfully Submitted  
William H. Bartley
