September 22, 2009

John J Ready, PE  
Chair, Generator Subcommittee  
Bechtel Power Corporation  
5275 Westview Drive  
Frederick, MD 21703-8306

The Hydroelectric Power Subcommittee would like to establish a formal liaison with the Generators Subcommittee of the Electric Machinery Committee. The purpose would be to maintain awareness and contact on generator issues applicable to hydroelectric units. We propose Mr. Randy Groves who is past chair and a member of the Hydroelectric Power Subcommittee and has a professional interest in generators for this role. His contact information is:

Randall C. Groves, PE, MSEE, CSI  
Professional Electrical Engineer  
Grant County Public Utility District  
Hydro Engineering, Wanapum Dam  
15655 Wanapum Village Lane SW  
Beverly, WA 99321-9705

If this liaison would be of interest to your Subcommittee, please let me know.

John B. Yale

Cc: L Wozniak  
R Groves
