# Smart Grid Development in Singapore

Jointly Organised

by

IEEE Power and Energy  
Malaysia Chapter

Centre of Electrical Energy  
Systems (CEES), UTM

IEEE Women in  
Engineering Malaysia  
Affinity Group

Er. Seow is currently the Principal Consultant of NEXTEM Consulting, a consulting practice set up by him to provide specialist engineering and utility management consultancy services for the electricity and gas industry of the region.

Er. Seow Kang Seng has more than thirty-five years of experience in the electricity industry, from working in Public Utilities Board, Singapore Power and Energy Market Authority as well as providing specialist consultancy to the electricity industry in the region.

In this talk, he will share with the audience on the various definition of Smart Grid and recent Smart Grid pilot projects in Singapore.

*Admission is Free!*
