**Call for Switchgear Committee Meeting Supporters**

The Meeting Planning Committee, made up of the leadership and active members of the IEEE PES Switchgear Committee, would appreciate and acknowledge any financial assistance you would provide, and will endeavor to accommodate any special requests you may have as a supporter.

As a supporter, we will ensure that your company name and/or logo is posted on our web site, listed in the meeting booklet, appropriately recognized at the meeting, and name displayed prominently and appropriately at the event that you support.

The support opportunities are shown at this [Link](#). You are welcome to support a part of an event marked with an asterisk, or an entire event, based on your contribution.

Please go directly to our website which offers the ability to review and reserve support opportunities as well as provide payment options. [Website Link](#)

Another option is to let us know the date, time and event(s) you would like to support or co-support and we will assist with the website and provide a tax-deductible invoice.

For more meeting information, please go to our [website](#), or contact [Jeremy Hensberger](#), our Registrar at your convenience.

Thanks in advance for your generous support,

Todd Irwin, Chair  
IEEE PES Switchgear Committee
