

In Memoriam

Don Elliott

Don Elliott

Don Elliott passed away on June 29, 2019 at the age of 51.

Don Elliott

Don was a member of the IEEE for 22 years and served on several working groups within the Switchgear committees including leading an Ad Hoc for C37.20.2, Annex D voltage sensors.

Don was also a member of the ASME. He earned a BSME from Colorado State University and an MBA from Keller Graduate School.

Don Elliott

Don's entire professional career was in the switchgear industry.

Don enjoyed hunting, fishing, hiking and was known for cooking some pretty good meals.

Don Elliott

Don is survived by his wife Melissa and daughter Carli.
