

Minutes of IEEE C37.30.2  
Orlando, FL  
April 7, 2025

**Greetings and Introductions**

The working group meeting was called to order at 1:30PM on April 7, 2025. Laura Reid presided as Chairperson. There were 29 participants in attendance. 16 of 24 members were present, including 13 guests constituting a quorum. See the roster of the meeting included at the end of this document. All present introduced themselves. No essential patent claims were noted. No copyright claims were noted.

No objections were noted to the agenda.

No objections were noted to the minutes of the last meeting

**Copyright**

Copyright permission from ASCE 113-2023 still prevents showing latest wind exposure charts, figure 3-5.

Notes on progress on copyright issue from Donnie Swing: We may have permission from ASCE to use the copyrighted images in another IEEE document ANSI C2, last published in 2023 and could use them here. Awaiting final feedback on this topic and to confirm that they're the latest versions.

Next steps proposed by Chair: upon final permission, conduct a virtual meeting to gain WF approval and move to submission for comment.

No objections noted to this proposal

**Task Force Presentation:** Sample calculation – results of existing vs proposed formulas presented by Drew Gordish.

Members: Rob Ross, Drew Gordish, Laura Reid, Jacob Blake, Dwight Krause, Peter mapp

**Next Meeting**

The Chairperson announced that the next meeting for C37.30.2 will be held October 5 – 9, Peppermill Resort, Reno, NV

Respectfully submitted,

Peter Mapp  
C37.30.2 Vice-Chair/Secretary
