Agenda provided by J. Allen
Minutes recorded by D. Slee

In attendance: J. Allen (run meeting), S. Lawrence (host), T. Lanzisero, D. Beaumont, D. Slee (secretary), L. Bonilla

1. Review minutes from December 2010 meeting.
2. Website – goal: Website up end of Feb.
S. Lawrence will work w/D. Beaumont on website.
3. Question: Can we post papers on the future website? Put abstracts only on LinkedIn?

Must be a PSES member to access future website.
Is posting abstracts ok? J. Allen will contact Ivan to inquire.
Link to PSES page w/abstracts.
Abstracts are given in Symposium programs.
Include a link to PSES home page to encourage membership. (J. Allen)

4. Software

Relex has Weibull module
List other tools: Design Safe, Relic
Note: these are examples, not endorsements
J. Allen will do a bit of research and post a list
Categorize tools for contained components:
-Hazard Analysis
-FMEA
-Etc.

5. Other IEEE Societies:

T. Lanzisero gave list that Merlin commented on
T. Lanzisero will follow up
Attend, present, & reach out to the other Societies

6. LinkedIn

Separate content in LinkedIn discussions vs. RATC future website. Include links to RATC future website in LinkedIn discussions.

Idea is to generate discussion on the LinkedIn group that links to the RATC future website to generate interest in RATC and PSES.

J. Allen will work to determine best use of LinkedIn

7. Discussion of papers for 2011 Symposium

Anyone planning to present?
