

IEEE PSES RATC, Risk Assessment Technical Committee

Web Conference 13 July 2011, 2 PM EST

Agenda provided by J. Allen
Minutes recorded by D. Slee

In attendance: J. Allen (run meeting), S. Lawrence (host), D. Slee (secretary), R. Schick; **Please correct if I've missed someone, we did not do a formal roll call.**

1. No papers to review yet.
2. J. Allen cannot speak on behalf of IEEE at other organizations.
3. RAPEX tool:
 - a. J. Allen has looked at this for about a half hour
 - b. Need another month to review and decide on whether to post on our website:
4. Posting links without comment is not an issue and we should be able to do that.
5. Chicago meeting was held. Different organizations all have different tools to calculate risk.
 - a. Chicago chapter expects to meet every other month and next meeting is in August.
6. October symposium: Dennis is going; Daren is going; John is going; Steve cannot go
 - a.
7. Should we consider having these calls every other month?
 - a. Consider for next summer.

Meeting adjourned at ~2:20pm CST.
