Call for Papers

The 2013 IEEE/RSJ International Conference on Intelligent Robots and Systems (IROS 2013) will be held in Tokyo, Japan, during November 3-7, 2013.
A new quarter-century of IROS begins in 2013. We can lead this unique and prestigious conference towards a new era of intelligent robots and systems to meet the needs of the changing times.
— Let us look beyond IROS.

Contributed Papers:
Authors should submit their papers electronically in PDF format via PaperPlaza. For the final submission, a manuscript should be of 6 pages, with 2 additional pages allowed but at an extra charge. All papers are reviewed using a single-blind review process. Detailed instructions for paper submission will be available on the website.

Organized Sessions:
Organized sessions provide a forum for focused discussions on new topics and innovative applications of established approaches. An invited session consists of at least five related papers that must be submitted through the regular review process.

Videos:
Videos of 1.5 to 3 minutes illustrating new and exciting results are sought for dedicated video sessions. Videos should be accompanied by an extended abstract and should be submitted via the PaperPlaza submission site for the conference.

Tutorials & Workshops:
Proposals for half-day or full-day tutorials and workshops should include: statement of objectives, intended audience, list of speakers, and list of topics. These should be submitted via the PaperPlaza submission site for the conference.

Exhibits:
There will be areas for exhibitions and robotic competitions at the conference. Further information will be available on the website.
