## Tianjin

Tianjin is one of China's four municipalities under the direct administration of central government. It is an international port city and the largest seaside city in the North of China, 137 km away from Beijing, the capital of China. Tianjin is a birthplace of modern industry of China: the first wrist watch, bicycle and television in New China were all made here. Since 1980s, Tianjin has turned itself into an important industrial base in North China. Tianjin is also a transportation hub with railway, waterway, highway and airway connecting other major cities in China and outside the country.

The name of Tianjin, which means “Emperor's port”, was adopted in the first year of Yongle Reign in Ming Dynasty. In the second year of Yongle Reign(1404), Tianjin became a walled garrison and began to be known as “Tianjin Wei”. In 1860 Tianjin was opened as a trading port. In the 1930s, it became the largest industrial and commercial city and financial center in the north of China. After the founding of the People's Republic of China in 1949, Tianjin became a municipality directly under the central government. After China adopted the policy of reform and opening up in 1978, Tianjin became one of the first coastal cities that are open to the outside world. Today, the city function according to the central government has been designated as becoming an international harbor city, economic center in north China, and an ecological city.

As one of the first cities open to the outside world, Tianjin has an excellent environment for business and investment. Up till now, among the top 500 world leading enterprises, more than 120 have invested in Tianjin. With the involvement of Binhai New Area in the national development strategy, Tianjin has become an area with the greatest attraction for investors and the highest investment profit rates in China.

Tianjin is a well known city with a long history and abundant resources. Panshan Mountain, the No. 1 Mountain in Capital's East; Dule Temple, one of the oldest wooden structures in China; Ancient Culture Street, full of ancient Chinese culture and Tianjin custom. More surprises are waiting for your exploration.

## Attractions

### ➤ Dule Temple

Dule Temple is a Buddhist temple located in the town of Jixian, in Ji County, under the administration of the city of Tianjin, China. The temple is of historical as well as architectural significance. Its oldest surviving buildings are two timber-frame structures, the front gate and the central hall that houses a colossal clay statue of the goddess Guanyin. Both structures date back to the Liao Dynasty and are among the oldest surviving wooden buildings in China.

### ➤ Shi Family Grand Courtyard

Shi Family Grand Courtyard is situated in Yangliuqing Town of Xiqing District, which is the former residence of wealthy merchant Shi Yuanshi – the 4th son of Shi Wancheng, one of the eight great masters in Tianjin. First built in 1875, it covers over 6,000 square meters, including large and small yards and over 200 folk houses, a theater and over 275 rooms that served as apartments and places of business and worship for this powerful family. Shifu Garden, which finished its expansion in October 2003, covers 1,200 square meters, incorporates the elegance of imperial garden and delicacy of south garden. Now the courtyard of Shi family covers about 10,000 square meters, which is called the first mansion in North China. Now it serves as the folk custom museum in Yangliuqing, which has a large collection of folk custom museum in Yanliuqing, which has a large collection of folk art pieces like Yanliuqing New Year pictures, brick sculpture.

Shi's ancestor came from Dong'e County in Shandong Province, engaged in water transport of grain. As the wealth gradually accumulated, the Shi Family moved to Yangliuqing and bought large tracts of land and set up their residence. Shi Yuanshi came from the fourth generation of the family, who was a successful businessman and a good household manager, and the residence was thus enlarged for several times until it acquired the present scale. It is believed to be the first mansion in the west of Tianjin.

Today, the Shi mansion, located in the township of Yangliuqing to the west of central Tianjin, stands as a surprisingly well-preserved monument to China's pre-revolution mercantile spirit. It also serves as an on-location shoot for many of China's popular historical dramas. Many of the rooms feature period furniture, paintings and calligraphy, and the extensive Shifu Garden.

### ➤ Ancient Cultural Street

Tianjin Ancient Culture Street with 600 years history, standing in the area of key section in upstream of the Haihe River, is located in Nankai district of Tianjin. Covering an area of 224,200 sq meters, it used to be one of earliest water transport docklands in Tianjin where is one of the busiest cities of commerce and trade in history. As a cultural precinct, Tianjin Ancient Culture Street is well known by the local and overseas tourists. The two attractions, Yuan Huang Ge and Tian Hou Temple are two historic cultural relics in the list of city level ones reversed.

Tianjin Ancient Cultural Street rebuilt in 1980's is one of the great successes in the renovation and redevelopment. The whole block is still conserved the existing urban pattern and tissue of traditional Chinese layout. The lanes and houses in the Street are almost preserved in a good condition with Tianjin local feathers. In past time, whenever the day of 23th of March in lunar calendar was coming, a great ceremony would be held here, which it is said that it is the birthday of heaven Mother.

### ➤ Goubuli

Goubuli, also sometimes translated as Go Believe, is a brand of stuffed baozi from Tianjin, China. Founded in 1858, it is one of China's longest established brands. Each Goubuli bun has eighteen wrinkles. There are many explanations for the name Goubuli. The oft-quoted one relates to a poor village boy nicknamed Gouzhai. At 14, he became an apprentice at a food store. Thereafter, he set up his own shop specialising in selling steamed, stuffed baozi. His supposedly very delicious baozi soon gained immense popularity in a short period of time. As a result, Gouzhai got too occupied with his business to converse with his customers. So, they started to complain, "Gouzhai does not talk to people".

# Weather

Tianjin features a four season, monsoon-influenced climate, typical of East Asia, with cold, windy, very dry winters reflecting the influence of the vast Siberian anticyclone, and hot, humid summers, due to the monsoon.
