Project Checkpoint Presentation Guidelines

5-7 min. PowerPoint presentation (7 min. max)

We will also have a little time for classroom Q&A

Please email your PPT slides before 10:30am

and/or

bring your presentation on a flashdrive to class (*please also do this regardless*)

1-2 Min.	Problem statement:	Statement of what problem you will solve in your project and/or a stated hypothesis for your project
	Project statement:	What you will do for your project and what your project will involve
½ Min.	Motivation:	Motivation and why we should care about your project
1 Min.	List of checkpoint milestones:	List all checkpoint milestones briefly to give the class more of a sense of what you'll be doing
2-3 Min.	Update on first milestone:	Quick statement of what you've accomplished towards your 1 st (and any other) checkpoint milestones. Any evidence (a picture of a prototype, diagram, etc) would also be good to show.
		Please also mention any anticipated issues with completing your project.
