### Special Sponsoring Agreements

Upon request, sponsoring packages can be individually customized, e.g. to include sponsoring of PhD student travel, invited speaker, receptions and/or other events.

### Please note that

- In case we receive too many applications, higher class sponsors will have precedence
- All costs for transportation should be covered by exhibitors themselves
- Items for exhibit including a panel board, signage, tables and chairs will be prepared by the conference
- Electric power source AC100V 50Hz 1500W will be available at each booth
