## CALL FOR PAPERS

Faculty of Engineering, International Islamic University Malaysia is pleased to announce the 5th International Conference on Mechatronics which will be held in Kuala Lumpur from 2 - 4 July, 2013. This bi-annual conference aims to serve as a platform for exchange of ideas on advances of mechatronics and their applications as well as to foster research network and worldwide collaboration.

Authors are invited to submit papers on mechatronics engineering which includes but not limited to the following topics:

- Mechatronics systems
- Mechatronics application
- Intelligent system:
- Control and Instrumentation:
- Signal and image processing:
- Machine vision
- Robotics and automation:
- Manufacturing mechatronics
- Smart materials and structures and applications
- Active vibration control
- Computer and information technology
- MEMS and NEMS
- Biomechanics and rehabilitation engineering
- Mechatronics Education:
- Autonomous system
- Energy and sustainability
- Transportation system
- Green mechatronics (G-Mechatronics)

## IMPORTANT DATES
